Family Life/Human Sexuality Exemption Form 2016/2017 (All Grades)

Florida Statute 1008.42 requires instruction in Human Sexuality Education as part of a Comprehensive Health Education Program. The Federal Board of Broward County, Florida, has authorized teaching Family Life/Human Sexuality and HIV/AIDS Prevention as a component of Health Education.

The Family Life/Human Sexuality Policy, Policy 1330 states in part:

"It is essential that a national competence for sexual health/education be established. It is the policy of the Florida Department of Education to ensure that all students receive the same quality information necessary to support their education and for a healthy life."

Broward County Public Schools respects the rights of parents and that exist in the education of their children. According to Florida Statute 1008.42(1), "Any student whose parent notifies the school principal that he or she objects to the teaching of reproductive health in any class, including HIV/AIDS, its prevention, development, and treatment. A student so exempted may not be penalized by means of that exemption."

Only if you wish for your child to be exempt from attending this course, should you complete this form below and return it to the school. Your child will then be scheduled into an alternative assignment during the Family Life/Human Sexuality classes.

We appreciate your interest and cooperation in the implementation of our Comprehensive Health Education Program.

The Family Life/Human Sexuality curriculum will be presented by District trained teachers selected by your school principal and may include presentations from District approved experts in the field of sexually transmitted infection prevention.

You may review the curriculum content and instructional materials by visiting http://www.browardprevention.org/health_wellness/sexual-health/curriculum1/ or by scheduling an appointment with your child's school. Additional parent resources are available at http://www.browardprevention.org/health_wellness/sexual-health/.

Note: If you wish to have your child exempt from this course, should this form be completed and submitted to the school on or before **10 DAYS FROM THE FIRST DAY OF SCHOOL** or from the date of enrollment, if a student enrolls after the start of each school year. Failure to return this form constitutes permission for your child to participate in the Family Life/Human Sexuality curriculum.

I DO NOT want my child to participate in any of the Family Life/Human Sexuality classes.
